

Summer Event Application

Thank you for your interest in holding your summer event at Sunridge. To book your event, please complete this form and email it to us at info@sunridgeskiarea.com. If your event is permitted and the date is available, we will tentatively book your event on our calendar. All bookings are tentative and subject to cancellation until all required paperwork and approvals have been obtained.

You must also get approval from the Province, carry liability insurance for a minimum of \$5million, show proof of WCB coverage (for companies only) and have participants sign an approved waiver of liability. Information on each of these requirements can be found on our website.

Number of participants expected:

Note that summer event bookings include the use of the ski hills only and does not include use of our chalet nor the ski lifts. Public washrooms are available in our parking lot and if you are expecting over 100 people, you should plan to rent porta-potty's as well.

A fee of \$300 plus GST is charged for your group to use the ski area grounds for your event. This fee must be paid prior to the date of your event. We accept VISA and Mastercard.
